EDUCATION

B.S. Computer Science & Linguistics |
The University of Illinois at Urbana-Champaign
GPA: 4.0 | 2017 – 2021
Fall 2017 (Dean's List): CS 125 *Introduction to Computer Science*, CS 196 *Freshman Honors*

Spring 2018: CS 173 *Discrete Structures*, CS 126 *Software Design Studio*

EXPERIENCE

Software Developer | Hack4Impact
2018 – PRESENT
Collaborate with nonprofits and other socially responsible organizations to develop software that meets important social and humanitarian needs. Currently developing the front end of a web-based sexual assault reporting platform.

Course Assistant | CS 125
2018 – PRESENT
Tasked with introducing students to algorithm development and fundamental object-oriented concepts. Assisting in leading a weekly discussion-based lab section and providing personalized help with designing and implementing small-scale Java programs to students.

Staff | HackIllinois
2017 – PRESENT
Help to organize the logistics and schedule of HackIllinois, the first ever open-source focused collegiate hackathon. Led an initiative called Lightning Talks, which allowed participants to give quick tech-related presentations to their fellow hackers in a lecture setting.

Co-Founder | Codeable Camps
2015 – 2017
Co-founded an organization dedicated to educating the youth on fundamental programming concepts. To date, the organization has run 15+ events across 8 different locations across Central Jersey and reached out to ~400 kids.

SKILLS

Proficient		Novice
